"Walser im Wald" concert with "Rainer von Vielen Akustik Duo"

🕒 Wednesday 20:30 o'clock

On Wednesday, July 30, 2025, the stage will once again be clear at Walser im Wald - and this time you can expect an artist who inspires with heart, depth and musical sensitivity: Pia-Sophie Denz. The Vorarlberg native, who lives in Vienna, is the creative heart of the newcomer project of the same name. She writes her own songs, performs on stage as a guitarist and singer and touches listeners with music that is just as multi-layered as she is. Her compositions are sensitive and haunting, yet never pathetic. The earthy sound of her mostly retuned guitar meets the clear as a bell sound of her voice - precisely applied and full of feeling.

What at first sounds like a classic singer-songwriter quickly unfolds into something unique: rhythmically sophisticated, narratively strong and emotionally profound. Pia hits the heart with her music - unaffected, personal and authentic.

Admission is free.

An evening for everyone who wants to feel music - quiet, strong and very close. We look forward to seeing you!
